#### Reservations:

Please carefully read the information provided on our website. We have answered many questions that you may have. We recommend that you then call us to check that space is available on the trip you want. Keep in mind that we need a minimum registration of 4 to confirm a trip and can accommodate up to 9 guests per trip. If you have any schedule flexibility, please let us know. To reserve a space, please fill out the reservation form (one per person), sign it at the bottom and send it with your nonrefundable deposit of \$200.00 per person to us. We suggest that you make a copy of this form for your records. We prefer to accept personal checks and money orders but we do take MasterCard and Visa. Upon receiving your deposit we will send you a letter confirming your reservation, invoice, itinerary, equipment list and release form. Book as far ahead as you can to ensure a place on the trip you have chosen. Your deposit holds your reservation until 60 days before the departure date at which time the balance is due. If you are signing up within 60 days of the trip, full payment is due with registration.

#### Cancellation:

Your deposit is nonrefundable. However, if we receive notice of your cancellation more than 60 days prior to departure, your deposit will be credited toward a trip taken in the next 12 months, and any balance paid will be refunded. Cancellation from 60 to 30 days prior to departure forfeits the deposit credit and 50% of the balance paid will be retained. Cancellation within 30 days of trip departure forfeits deposit and all balance paid. ***Exceptions to this policy cannot be made for any reason.***

If you are concerned about financial loss due to your cancellation of a trip we recommend that you purchase a travel insurance policy. One source for a travel policy is [www.insuremytrip.com](http://www.insuremytrip.com).
